

San Marino, Huntington Library, HM 02515

Description: ff. 3 - Bound, ca. 1830, with HM 31, in pink marbled paper over cardboard, brown calf spine. - Sale of the library of Abate Luigi Celotti (ca. 1768-ca. 1846), Sotheby's, 14 March 1825, lot 207. A sale catalogue slip affixed to front pastedown describes a "...map of the World on three leaves." Since this volume also contains the Mediterranean chart made by Estienne Bremond (HM 31) which forms the third leaf and since neither is a "World map," the sale catalogue entry either was carelessly made or the slip actually refers to a different portolan chart and was erroneously placed in this volume. This volume may instead have been lot 210 or lot 283 in the Celotti sale: both numbers are pencilled on the pastedown. Number 391 on back pastedown refers to Cochrane's sale of the library of Frederick North, 5th Earl of Guilford (1766-1827), to Sir Thomas Phillipps, 8 December 1830 as dated by A. N. L. Munby, *The Formation of the Phillipps Library up to the Year 1840*, *Phillipps Studies* (Cambridge 1951-60) 3:56. Front pastedown bears his number "Phillipps MS 6360." - C. W. Dutschke with the assistance of R. H. Rouse et al., *Guide to Medieval and Renaissance Manuscripts in the Huntington Library* (San Marino, 1989). De Ricci, 41.

Acknowledgments: - We are indebted to Virginia Rust who wrote the full description of this manuscript, as published in the *Guide to Medieval and Renaissance Manuscripts in the Huntington Library* (1989); the present short description derives from her work.

Number of Parts: 1 - *Number of Images Available:* 0
